

# HEAVY EQUIPMENT OPERATOR NEEDED!

Wilson Vineyards is recruiting for an experienced heavy equipment operator for a short-term project.

The heavy equipment operator will be responsible for operating industrial equipment such as D4's through D9's, scrapers, bulldozers, water trucks, backhoes, excavators, and front-end loaders.

## KEY DUTIES AND RESPONSIBILITIES:

- Safely operate all vehicles and equipment.
- Operate heavy equipment in assigned locations as directed.
- May be required to perform routine maintenance (i.e. fueling and lube) and/or assist the mechanic with repairs.
- Able to read and understand all operations manuals, safety rules, and company policies and procedures for all equipment listed above.
- May be assigned other duties not expressly covered by this job summary.
- Able to work a flexible schedule, including overtime when needed.

## MINIMUM QUALIFICATIONS:

- 2-5 years' of experience in the safe, productive operations of D4 through D9 bulldozers, scrapers, backhoes, excavators, front-end loaders, etc.
- Must be at least 21 years of age.
- Able to lift/move/carry 75 lbs.
- Fluent in English. Bilingual English/Spanish preferred.
- Valid CA driver's license, acceptable driving record and reliable, insured transportation.
- Must be able to work independently, with little or no supervision.
- Must be able to understand instructions and complete assignments in an accurate and timely manner.
- Must be able to travel to and work at different Company locations.
